FAST KARTS... GOOD TIMES WELCOME TO VICTORY LANE

Victory Lane Indoor Karting is an indoor race facility located in the heart of Charlotte, NC. With a 1/3 of a mile road course that will challenge any driver. These are not your ordinary karts. They are actual racing karts that reach top speeds of 40mph at 2" off of the ground. Doesn't sound fast? Come experience it for yourself. VLK can also host any type of event you are looking for, from a small group of 8 to a large group of 250. If it's a teambuilding exercise for your company or just some friends looking for something exciting and different to do, VLK is where to find it. Please check out the rest of our website and if you still have questions, please call us at 704-377-FAST. We'll see you on the track!
